and insert "convenient". Line 13 after business insert "whether at the convenience of the agency or at the convenience of the state officer or employee as previously agreed upon by the officer or employee and the agency involved." Now this language will be the same in both LB 8 and LB 27. So I move the adoption of this amendment.

PRESIDENT: Under these circumstances, it does require a machine vote. The question is, shall the Savage amendment to LB 8 be adopted. Record your vote. Excuse me. Chair recognizes Senator Dick Lewis.

SENATOR R. LEWIS: I'd like to speak to that amendment because they have -- the staff came and checked this out with me. LB 25 is my bill . . . 27, I'm sorry, and this does make the language compatible in the two bills and the two sections. There's no conflict now. I approve of this amendment.

PRESIDENT: Is there any further discussion? The Chair will state the question again. Shall the amendment, offered by Senator Savage, to LB 8 be adopted. Record your vote. Have you voted? Record, Mr. Clerk.

CLERK: 33 ayes, Mr. President, on motion to adopt.

PRESIDENT: The amendment has been adopted. Chair recognizes Senator Dworak. Senator Savage, do you care to move?

SENATOR SAVAGE: I move to advance the bill.

PRESIDENT: Is there any discussion?

SENATOR SAVAGE: As amended.

PRESIDENT: The question is, shall LB 8, as amended, be advanced to E & R for engrossing. All those in favor signify by saying aye. Contrary. The bill is so advanced. General File.

CLERK: Mr. President, we have a reference report referring LB 529 through 533 to respective committees. Signed, Senators Barnett, Lewis, Rasumssen, Kelly, Burbach, Savage, Schmit and Cavanaugh.

That's all Mr. President.

PRESIDENT: We're ready for General File. LB 190.

CLERK: Read bill.

PRESIDENT: Chair recognizes Senator Johnson.

SENATOR JOHNSON: Mr. President, members of the Legislature, I move LB 190 be advanced to E & R initial. This bill would amend Section 44-513, which prohibits discrimination in the payment of health insurance benefits. The bill would add "dentist" to the licensed health professions for whose covered services the policy would be entitled to payment, or reimbursement by law. At present, the insurance companies are not required to pay for dental health services. I want to add that there's been no problem particularly, only in isolated cases, but it seems best to add
